

At Scholastic, we're dedicated to providing solutions to help every child experience success and reach their full potential!

Classroom Libraries

Create a rich literacy environment, encourage independent reading, and supplement content area instruction with our wide variety of paperback collections. Many of our classroom libraries also include instructional support materials to assist teachers with integrating our books into their everyday curriculum. Thousands of individual paperback titles are also available so you can select the “just right” books for every student!

FACE—Family and Community Engagement

Scholastic FACE connects families, communities, and schools in support of literacy and lifelong learning. This array of research-based programs and strategies supports students from birth to high school and focuses on five key pillars: Early Literacy, Family Involvement, Access to Books, Expanded Learning, and Mentoring Partnerships. FACE provides the resources you need to reinforce high achievement while creating an environment that supports every child’s journey to success, both inside and outside the classroom.

Professional Development Services

The most effective teachers are constantly looking for more . . . more valuable ideas, more proven strategies, more student success! We’re your one-stop source for professional development opportunities to provide educators with the latest research-based techniques and activities to improve classroom instruction and boost student achievement. We offer a variety of professional development options, including Master Classes, Collaborative Learning, Program Implementation, Customized Workshops, and In-Class Coaching.
